

## Mohammad Najjar

Manager

---

Mohammad is a Manager of Cor Cordis and is based in the Sydney Office.

### Experience

Mohammad has been providing Corporate and Personal Insolvency advice for over 4 years in areas including Voluntary Administrations, Deed of Company Arrangements, Creditors Voluntary Liquidations and Court Appointment Liquidations.

Mohammad's insolvency experience ranges from sole traders to insolvency matters involving larger corporations. He has also assisted proceedings against directors in the Supreme Court and Federal Court involving voidable transactions.

Mohammad has a firm understanding of the Australian Corporations Law in particular insolvency due to completing a Sum Major in Commercial Law as part of his Bachelor of Accounting.

Mohammad understands that communication is paramount in achieving the best possible outcome for all stakeholders including understanding the importance of commerciality in all matters undertaken.
